

Resume

Norman R. "Skip" Brown, Owner

11369 Sunrise Gold Circle, Ste A, Rancho Cordova, CA 95742
916-761-1817

Education:

College:

Sacramento State College, Sacramento, CA
Bachelor of Science Degree - Business Administration - Graduated 1966
Activities - Alpha Sigma Phi Fraternity

Stockton Junior College, Stockton, CA
Major: Civil Engineering

High School:

Rio Vista Joint Union High School, Rio Vista, CA
Graduated 1961

Work Experience:

1964 to 2010 DELTA CONSTRUCTION COMPANY, INC., P.O. Box 277517, SACRAMENTO, CA 95827.
Telephone 916-364-0292

Served as estimator, superintendent, Vice President and President and owner. Currently holds individual Class A and C-12 California Contractor's License and Class A in Nevada as well as acting as Responsible Managing Officer for the company.

Personally supervised the installation of over 4 million tons of asphalt concrete and hundreds of lane miles of chip seals on various projects throughout northern California and western Nevada. Developed a process for applying chip seals over paving fabric in 1983 and has placed this on private and public roads from Clear Lake to South Lake Tahoe, California along with Douglas County, Nevada (provided consulting services for this process in Baghdad, Arizona). Has extensive knowledge in all asphalt cement products used in the road construction industry in the Western United States including chip seals, slurry seals, asphalt rejuvenators, cutbacks, emulsions and hot oils. Also has experience with new additions of polymers and rubber in asphalt cements and emulsions that has benefited users with longer life pavements.

Resume

Presentations Given:

CAL-APA Quality Asphalt Paving Classes	Throughout California	2010-2013
First Int'l Conference on Pavement Preservation	Newport Beach, CA	2010
Nor Cal APWA Public Works Conference	San Ramon, CA	2008
CalTrans Maintenance Technical Advisor Class	Various Locations	2008-2010
California Pavement Preservation Conference	Newport Beach, CA	2008
California Pavement Preservation Conference	Union City, CA	2007
Civil Engineering 598 Asphalt Paving Class	Chico, CA	2007-2010
California Chip Seal Association	Sacramento	2008
California Chip Seal Association	San Diego	2007
TRB 8th International Conference on Low-Volume Roads	Reno, NV	2003
Maintenance Supervisors Association	Sacramento, CA	2002, 2006
